In-Person Placement Activity Guidelines

The live Placement Activity component of the review process will enable applicants to participate in three different art classes: a creative writing class, a visual arts class and a performing arts class. After a brief introduction, applicants will be placed into different groups and rotate through the sequence of three classes. Applicants do not have to prepare any material for this activity. This exercise is designed to expose applicants to a wide variety of art forms, and they will be assessed on a three-indicator rubric that measures their artistic technique, engagement, and growth mindset.

Applicants who are English language learners, have a disability, or need technology assistance are encouraged to reach out for support with the admissions process. Please contact admissions@sgv.csarts.net or 714.560.0900 ext. 5510 for more information.
